

CORPORATE GIVING PARTNER PROGRAM

Doing Good Together

ABOUT US

Michael Magro was a thirteen-year-old seventh grade student at Hicksville Middle School in Hicksville, New York, when he was diagnosed with leukemia (A.L.L.). He passed away within months of that diagnosis.

Michael loved life, his family and friends. He smiled a lot and was considered a peacemaker with a zest for life and a passion for lacrosse and music. He cared more for others than he did for himself. Mike may not have been the best at everything but whatever he did, he gave it his all and never gave up. During his illness, his remarkable courage and strength were an inspiration to everyone who knew him.

The Michael Magro Foundation, a 501(c)3 non-profit organization, was established in January 2005 to honor Mike's life. The efforts of the Foundation started with pediatric cancer patients and their families at the Cancer Center for Kids at NYU Winthrop-University Hospital as well as to other NYU Winthrop pediatric specialties where the treatment of chronic diseases is ongoing because that is where Mike was treated for his leukemia.

MMF Programs include Project SOAR and Life Essentials which help students and families with various needs due to their illnesses. Additionally, the Foundation awards two scholarships each year - two academic and sports scholarships are awarded, through the Hicksville High School Scholarship program to a student excelling in academics and sports; the other is a culinary scholarship endowed for a senior entering Culinary School.

Since 2005, MMF has raised and given away over \$3.5 Million.
90% goes directly to families fighting childhood cancer.
300+ families are helped every year.

BECOME A SUPPORTER THE M.A.G.R.O. WAY!

M

ake annual, semi-annual, quarterly or one-time donations

Your donations enable the Michael Magro Foundation to meet immediate needs of families, including mortgage, rent, utility payments, car payments, insurance, groceries, and much more. **Choose an amount that gives you all the feels and meets your budget.**

A

ttend fundraising events, enjoy the festivities or become a sponsor

Co-host a community event to build a stronger, more united culture. From holiday soirees, to pool parties and employee socials, hosting a company event can boost engagement by helping people get to know the MMF mission and leadership team personally.

G

ather team support through employee days of giving or matched donations

Building a culture of doing good proves to be one of the **best ways to build community culture** and strengthen bonds with colleagues. Your generosity will directly impact families fighting childhood cancer and other chronic childhood diseases.

R

each out for opportunities where your teams can help at Magro Events

Bringing people together at an event is the best way to build relationships and culture. Now, more than ever, people are looking to make **a positive impact in the communities they live and work in.**

O

rganize in-kind donations with Toys, Gift Card, PJ and Clothing Drives

Organize a Most Needed Items Drive to provide pajamas and underwear because “accidents happen” when going through treatment. Gift cards help pay for groceries or gas, or even a treat for a patient’s sibling who needs a pizza night or coffee shop treat to feel a bit of “normalcy”.

OUR PROGRAMS

LIFE ESSENTIALS

Imagine having a child diagnosed with cancer and the financial burdens that follow. From paying mortgages, rent and utility bills, to gift cards to buy food and much more... because cancer exhausts everyone.

LIFE ESSENTIALS delivers a moment of dignity and a smile of hope.

PROJECT SOAR

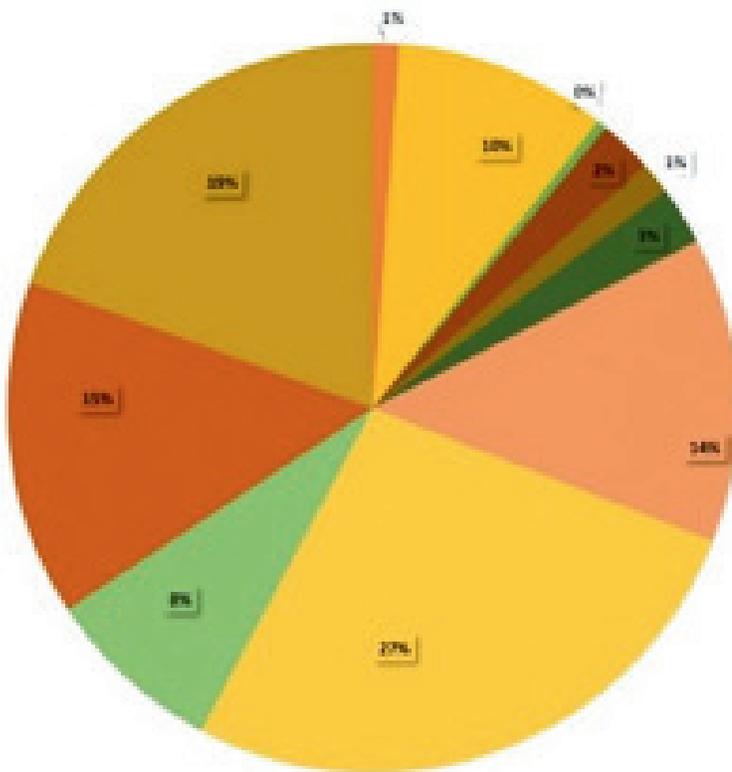

Project SOAR - *School re-entry and Ongoing Academic Resources*

It is designed both for students undergoing treatment and those preparing to transition back to school following a long period out of the school building due to their illness.

90% of every dollar goes directly to families.

MMF RAISED & DONATED OVER \$3.5 MILLION SINCE 2005

WHERE IS THE MONEY GOING? Funds Distributed 2023 - \$207,229
