Charity Info:

Michael was a seventh-grade student at Hicksville Middle School when he was diagnosed with leukemia (A.L.L.) and passed away within weeks of being diagnosed. At thirteen Michael was a young man who loved life, his family and friends. During his illness, his courage and strength were a source of inspiration to all who knew him. In his memory, the Michael Magro Foundation, Inc. was founded. The foundation was established in January 2005 as a 501c3 non-profit organization, pledging 100% of its profits to the mission.

The efforts of the foundation are directed to families of children diagnosed with Cancer. In addition, the foundation supports families of children diagnosed with chronic illnesses from a variety of pediatric specialty practices. Our referrals are recommended from Child Life Specialists at NYU Langone Health Mineola, Stonybrook Outpatient Pediatric Oncology departments and Nu Health Hospital. The foundation also works closely with Pediatric Social Workers from NYU Langone Health Mineola, NYU Langone Hassenfeld Children’s Hospital, NY Presbyterian Morgan Stanley Children’s Hospital and Cohen Children’s Medical Center.
